Vision and Mission

In cooperation with the Lucerne University of Applied Sciences and Arts, the Commodity Club Switzerland (CC), the Lugano Commodity Trading Association (LCTA), the Swiss Trading and Shipping Association (STSA) and the Zug Commodity Association (ZCA) offer a Certificate of Advanced Studies CAS in Commodity Professional. The CAS programme will provide attendants with a thorough understanding of the commodity industry and its characteristics. Knowledge imparted will provide employees of commodity firms with detailed skills, enable service providers to better understand their clients, and give graduates the tools to enhance their careers. The CAS in Commodity Professional combines theoretical know-how with hands-on learning experience in a powerful mix. Special attention is paid to the selection of experienced teachers and speakers. This programme prepares the participants to take on management or specialist functions within the commodity industry.

Target Group

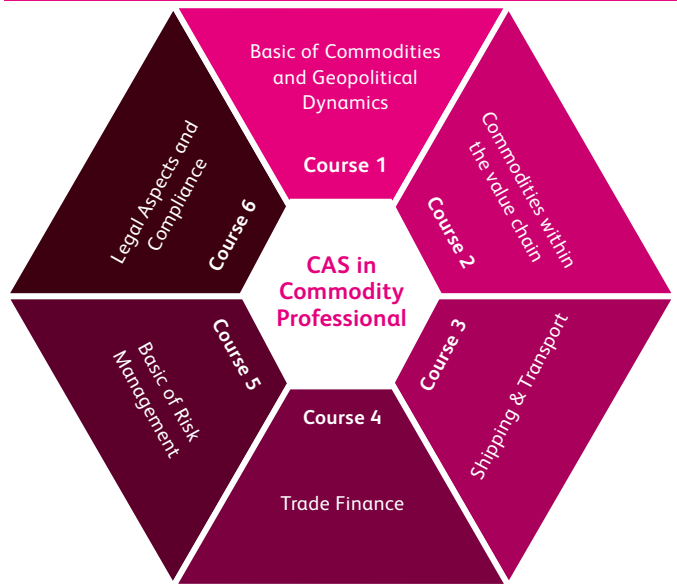

The CAS in Commodity Professional is primarily designed for:

- employees and professionals of companies from the commodity industry, who would like to expand their education in commodity trading
- employees working for service providers in the commodity industry (e.g. audit, legal, shipping, risk management, insurance etc.)
- those who are considering a career change and would like to work in the commodity industry
