

SPEAKER PROFILE

Marco Zaffalon

Scientific Director, IDSIA

Co-founder & Chief Scientist, Artificialy

Marco Zaffalon is Full Professor at SUPSI and Scientific Director of the Dalle Molle Institute for Artificial Intelligence (IDSIA).

With over 25 years of experience in artificial intelligence and machine learning, he has published more than 180+ scientific papers and presented his research at leading international conferences.

His research focuses on explainable, robust and causal AI. He has secured a cumulative CHF 18+ million in research funding and contributed to projects for major international companies, including UBS, Novartis and Mastercard.

He is also Co-founder and Chief Scientist of Artificialy, a company specializing in AI solutions.
